WIN announces commission sales position open!

Boise – WIN Staff

The potential for \$40,000+ first year earnings are **VERY REAL!** Your earnings depend upon your ability, desire, and work ethic. Advertising sales experience a big plus but will train the right person with a sales background. You will have a protected territory, National accounts are available *AND* you will receive all house accounts in your area *AND* keep all of your renewals. New account bonuses, and longevity bonuses! **Some travel required inside your territory.**

Multiple product lines are available to cover nearly all of the media fronts – *AND* the product line will continue to grow.

Get in on the ground floor! We are currently building our sales team for entire state. Your earning potential based upon your abilities. **This is a commission only position, but you are paid what you are worth!**
